

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals  
DOCKET NO.: 18-39966.001-R-1  
PARCEL NO.: 06-26-353-026-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,218  
**IMPR.:** \$11,239  
**TOTAL:** \$12,457

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 900 square feet of living area. The dwelling is approximately 49 years old. Features of the home include a full basement with finished area and central air conditioning. The property has 1,160 square foot site and is located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject and either 0.8 or 0.9 of a mile from the subject. The comparables were improved with two-story class 2-95 dwellings of frame or masonry exterior construction that are each 48 years old. Each comparable has a full basement with one comparable having finished area and central air conditioning. The dwellings range in size from 839 to 1,131 square feet of living area and have

improvement assessments ranging from \$6,584 to \$7,941 or from \$5.82 to \$8.94 per square feet of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$6,615 or \$7.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,457. The subject property has an improvement assessment of \$11,239 or \$12.49 per square feet of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code and same block as the subject. The comparables were improved with two-story class 2-95 dwellings of masonry exterior construction that are 49 years old. The comparables have a full basements with finished area and central air conditioning. The dwellings have 900 square feet of living area and have improvement assessments of \$11,220 and \$11,239 or \$12.47 and \$12.49 per square feet of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables due to differences in dwelling size and/or lack of finished basements when compared to the subject.

The Board finds that the best evidence of assessment equity are the board of review comparables. These comparables are identical to the subject in age, dwelling size and features. These comparables have improvement assessments of \$11,220 and \$11,239 or \$12.47 and \$12.49 per square foot of living area. The subject property has an improvement assessment of \$11,239 or \$12.49 per square foot of living area, which is supported by the best comparables contained in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
