

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-40169.001-R-1
PARCEL NO.: 31-33-403-002-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,315
IMPR.: \$5,090
TOTAL: \$8,405

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,410 square feet of living area. The dwelling is approximately 46 years old. Features of the home include a partial basement with recreation area, central air conditioning and a 1-car garage. The property has a 7,800 square foot site and is located in Richton Park, Rich Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted a property characteristic sheet and grid analysis on four equity comparables located in the same neighborhood code and within 0.6 of a mile to the subject property. The comparables were improved with similar class 2-34 properties and improved with multi-level dwellings of frame or frame and masonry exterior

construction that range in size from 1,248 to 1,620 square feet of living area. The comparables range in age from 29 to 47 years old. Each comparable has a partial basement with recreation area, three comparables have central air conditioning, two comparables have a fireplace and each comparable has either a 1.5-car, or a 2-car garage. The comparables have improvement assessments ranging from \$2,672 to \$5,833 or from \$1.96 to \$3.98 per square foot of living area. The appellant requested the improvement assessment be reduced to \$4,639 or \$3.29 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,134. The subject property has an improvement assessment of \$8,819 or \$6.25 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code and in the same block as the subject property. The comparables are class 2-34 properties and improved with multi-level dwellings of frame and masonry exterior construction each containing 1,120 square feet of living area. The comparables range in age from 43 to 46 years old. Each comparable has a partial basement with recreation area, three comparables have central air conditioning, one comparable has a fireplace and each comparable has either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$7,571 to \$9,897 or from \$6.48 to \$8.84 per square foot of living area. The board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 as this property is an outlier when compared to the other comparables submitted by both parties. Furthermore, this property differs in age when compared to the subject. The Board gave less weight to the appellant's comparable #4 as this property lacks central air conditioning. The Board gave less weight to the board of review comparables based on their smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3. These comparables have varying degrees of similarity when compared to the subject in location, dwelling size, age, and features. These comparables had improvement assessments of \$5,833 and \$4,520 or \$3.60 and \$3.62 per square foot of living area. The subject's improvement assessment of \$8,819 or \$6.25 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
