

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Theodore Mark  
DOCKET NO.: 18-40551.001-C-1 through 18-40551.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Theodore Mark, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
18-40551.001-C-1	17-28-402-020-0000	10,585	16,471	\$ 27,056
18-40551.002-C-1	17-28-402-021-0000	23,437	33	\$ 23,470

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a three-story mixed-use building of masonry construction with 7,560 square feet of building area. Improvement #1 is 138 years old. Features of Improvement #1 include a full unfinished basement. Improvement #2 is a one-story industrial building of masonry construction with 1,785 square feet of building area. Improvement #2 is 59 years old. The property's site is 7,125 square feet, and it is located in South Chicago Township, Cook County. Improvement #1 is classified as a class 2-12 property and Improvement #2 is classified as a class 5-93 property, both under the Cook County Real Property Assessment Classification Ordinance. Both improvements are situated on the PIN ending in -020. The PIN ending in -021 is classified as a class 3-90 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$445,000 as of January 1, 2018. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$44,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$105,731. The subject's assessment reflects a market value of \$876,554 when applying the 2018 statutory levels of assessment for class 2/3 and class 5 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% and 25.00%, respectively.

The board of review did not submit any evidence in support of the subject's current assessment.

In rebuttal, the appellant reaffirmed the evidence previously submitted.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$445,000 as of the assessment date at issue. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted. Since market value has been established, the 2018 statutory levels of assessment for class 2/3 and class 5 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% and 25.00%, respectively, shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
