

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Krajewski  
DOCKET NO.: 18-40968.001-R-1  
PARCEL NO.: 17-08-336-028-0000

The parties of record before the Property Tax Appeal Board are Charles Krajewski, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,426  
**IMPR.:** \$54,269  
**TOTAL:** \$60,695

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 128-year-old, two-story, old style row house (town home) of masonry construction with 1,596 square feet of living area. Features of the home include three full bathrooms and a two-car garage. The property has a 1,890 square foot site located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of these arguments, the appellant submitted information on five suggested equity comparables. They were each improved with two-story row houses or town homes of masonry or masonry and frame construction. The improvements ranged: in age from 135 to 140 years; in size from 1,876 to 2,304 square feet; and in improvement assessment from \$20.46 to \$21.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,695. The board of review indicates that the subject property has an improvement assessment of \$54,269 or \$25.76 per square foot of living area (based on a living square footage of 2,107). In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each are improved with 128-year-old two-story row homes of masonry construction that are on the same block as the subject property. The improvements ranged: in size from 1,596 to 1,700 square feet of living area; and in assessment from \$33.57 to \$37.47 per square foot.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *board of review comparables #1, #2, and #3*. These comparables had improvement assessments that ranged from \$33.57 to \$37.47 per square foot of living area. The board of review incorrectly based its calculated assessment per square foot on a total square footage of 2,107. The Board finds the correct living square footage to be 1,596 per the assessor's office. The subject's improvement assessment of \$34 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
