

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joyce Judah
DOCKET NO.: 18-41146.001-R-1
PARCEL NO.: 14-32-103-047-0000

The parties of record before the Property Tax Appeal Board are Joyce Judah, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,776
IMPR.: \$66,512
TOTAL: \$84,288

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a three-story single-family dwelling of masonry construction containing 2,121 square feet of living area. The dwelling is 29 years old. Features of the home include central air conditioning, a fireplace and a one-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as three-story masonry single-family dwellings that range in age from 15 to 30 years old. The comparable dwellings range in size from 1,603 to 2,700 square feet of living area. The comparables have improvement assessments ranging from \$22.56 to \$37.43 per square foot of living area. The subject's improvement assessment is \$31.36 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of four-story masonry single-family dwellings that range in age from 25 to 29 years old either located on the same block or ¼ mile from the subject. The dwellings range in size from 1,928 to 2,446 square feet of living area. These properties have improvement assessments ranging from \$31.73 to \$34.34 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is/is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the best evidence of assessment equity to be *board of review comparables*. These comparables had improvement assessments that ranged from \$31.73 to \$34.34 per square foot of living area. The subject's improvement assessment of \$31.36 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
