

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Properties
DOCKET NO.: 18-41958.001-R-1
PARCEL NO.: 31-03-316-002-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Properties, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,800
IMPR.: \$5,469
TOTAL: \$8,269

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 11,200 square foot parcel of land improved with a 58-year-old, one-story, frame, single-family dwelling containing 1,245 square feet of building area. The property is located in Country Club Hills, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted data on three suggested sales comparables. These comparables contain from 1,090 to 1,419 square feet of building area and sold from August 2015 to February 2017 for prices ranging from \$38.07 to \$57.52 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$8,269 which reflects a market value of \$82,690 or \$66.42 per square foot of

building area using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted data on four suggested comparables. These comparables contain from 1,100 to 1,425 square feet of building area and sold from April 2017 to September 2018 for prices ranging from \$76.63 to \$130.91 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best comparables to reflect the subject's market value be the appellant's comparables #1 and #2 and the board of review's comparables. These properties sold from November 2016 to September 2018 for prices ranging from \$38.07 to \$130.91 per square foot of building area. The remaining comparables were given less weight because their sale date is too far removed from the lien date to accurately reflect the subject's market value. In comparison, the subject's assessment reflects a market value of \$66.42 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
