

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Avenel - Linkaven LLC
DOCKET NO.: 18-42072.001-R-1
PARCEL NO.: 31-03-201-158-0000

The parties of record before the Property Tax Appeal Board are Daniel Avenel - Linkaven LLC, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,606
IMPR.: \$3,354
TOTAL: \$4,960

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, frame single-family dwelling with 1,182 square feet of living area. The building is 41 years old. The property is situated on a parcel of land with 2,142 square feet, and is located in Rich Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sale information for the subject property consisting of the HUD-1 settlement statement as well as an MLS listing sheet. The sale evidence listed the Seller as Federal Home Loan Mortgage Corporation and the Purchaser as Linkaven LLC. The appellant's evidence indicates the subject property sold pursuant to a foreclosure in April 2018 for \$49,600. The property was advertised for sale for 61 days and there was a realtor involved in the transaction. Additionally, the appellant submitted information on four sale comparables. The comparables

sold between July 2016 and March 2018 for sale prices ranging from \$12.91 to \$38.73 per square foot, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$5,784. The subject's assessment reflects a market value of \$57,840, or \$48.93 per square foot of living area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, all of which reflected equity data. They ranged in sale price per square foot, including land, from \$41.96 to \$55.94. The sale of the subject in April 2018 for \$49,600 was also reflected on the grid sheet. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued that the best evidence of market value is the recent sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject in April 2018 for \$49,600 was a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. The Board finds that the sale of the subject is a compulsory sale, in the form of a foreclosure sale, based on the appellant's documentation.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2012 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

In considering the compulsory sale of the subject, the Board may look to the market value evidence submitted by the parties to determine whether the purchase price was at the subject's fair market value. 86 Ill.Admin.Code §1910.65(c). Such evidence may consist of the sales of comparables properties. 86 Ill.Admin.Code §1910.65(c)(4); see, Calumet Transfer, LLC v. Ill. Prop. Tax Appeal Bd., 401 Ill.App.3d 652, 655-56 (1st Dist. 2010) (“[The Board] allowed the [intervenor] to challenge the arm's-length nature of the transaction by offering evidence of comparable property sales. This was permissible under paragraph (4) of section 1910.65(c).”)

In the instant appeal, each party submitted four sale comparables. The Board finds all eight of the comparables to be similar to the subject. These comparables sold for prices ranging from \$12.91 to \$55.94 per square foot of living area, including land. The subject's compulsory sale price reflects a market value of \$41.96 per square foot of living area, including land, which is within the range established by the best comparables in this record. Accordingly, the Board finds that the compulsory sale price of \$49,600 is reflective of the subject's fair market value as of January 1, 2018. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
