

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rill & Beck LLC
DOCKET NO.: 18-43007.001-R-1
PARCEL NO.: 14-33-306-032-0000

The parties of record before the Property Tax Appeal Board are Rill & Beck LLC, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,472
IMPR.: \$112,864
TOTAL: \$145,336

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a two-story, multi-family dwelling of masonry construction with 3,549 square feet of living area. Improvement #2 is a three-story, multi-family dwelling of frame construction with 2,440 square feet of living area. The property has a 3,300 square foot site located in North Chicago Township, Cook County. Each of the subject improvements are classified as class 2-11 properties under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted two sets of equity comparables, one for each of the subject improvements. The appellant submitted five comparable properties for Improvement #1 and five comparable properties for Improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$168,722. The board of review attached two grid sheets to its "Notes on Appeal" and included a total of eight comparable properties. The Property Tax Appeal Board notes the board of review's grid sheets list the incorrect subject property.

Improvement #1 has an improvement assessment of \$89,807, or \$25.30 per square foot of living area. Improvement #2 has an improvement assessment of \$61,744, or \$25.30 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be appellant's comparables #1, #2, #4, and #5. These comparables had improvement assessments that ranged from \$14.66 to \$19.83 per square foot of living area. The subject's improvement assessment of \$25.30 per square foot of living area falls above the range established by the best comparables in this record. The Board finds the best evidence of assessment equity for Improvement #2 to be appellant's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$11.64 to \$17.84 per square foot of living area. The subject's improvement assessment of \$25.30 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
