

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sixteen Michigan Investments, LLC
DOCKET NO.: 18-43030.001-R-2 through 18-43030.002-R-2
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Sixteen Michigan Investments, LLC, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-43030.001-R-2	17-22-107-061-0000	183,701	454	\$ 184,155
18-43030.002-R-2	17-22-107-062-0000	140,196	117,856	\$ 258,052

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the “Board”) finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a three-story building of masonry construction with 18,500 square feet of building area. The building is 18 years old. Features of the building include a slab and central air conditioning. The property’s site is 28,165 square feet, and it is located in South Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner-occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five land equity comparables, and five improvement equity comparables. Based on this evidence, the appellant requested a reduction in the subject’s assessment to \$266,244.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$442,207. The subject property has land assessment of \$323,897, or \$11.50 per square foot of land area. The subject property has an improvement assessment of \$118,310, or \$6.40 per square foot of building area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject’s assessment is not warranted.

The Board finds the best evidence of land assessment equity to be all of the equity comparables submitted by the parties. These land equity comparables had improvement assessments ranging from \$3.20 to \$11.50 per square foot of land area. The subject’s land assessment of \$11.50 per square foot of land area falls within the range established by the best comparables in this record.

The Board finds the best evidence of improvement assessment equity to be appellant’s equity comparable #3, and board of review equity comparables #1 and #2. These equity comparables had improvement assessments ranging from \$3.06 to \$11.76 per square foot of building area. The subject’s improvement assessment of \$6.40 per square foot of building area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject’s assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
