

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henry Properties LLC
DOCKET NO.: 18-43215.001-R-1
PARCEL NO.: 14-32-104-028-0000

The parties of record before the Property Tax Appeal Board are Henry Properties LLC, the appellant(s), by attorney Jeffrey G. Hertz, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,736
IMPR.: \$183,130
TOTAL: \$215,866

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 16-year-old, three-story, building of masonry construction containing 3,816 square feet of gross building area. Features of the subject include a full unfinished basement, central air conditioning and a two-car garage. The property is situated on 2,976 square feet in North Chicago Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant is Henry Properties, LLC (Henry Properties).

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject property was sold by BMO Harris

Bank, N.A. (Bank) and was purchased on December 6, 2017, for \$1,500,000. The subject's sale price reflects a market value of \$393.08 per square foot of gross building area including land. The appellant included information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties; was sold by the owner but was advertised by a realtor; and was not sold in settlement of a foreclosure but was not sold using a contract for deed. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,866. The subject's assessment reflects a market value of \$2,158,660, or \$565.69 per square foot of gross building area, when using the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on one suggested comparable property that sold in 2016 and on three suggested equity comparable properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

“The Property Tax Appeal Board may take official notice of decisions it has rendered, matters within its specialized knowledge and expertise, and all matters of which the Circuit Courts of this State may take judicial notice.” 86 Ill.Admin.Code §1910.90(i). The Board takes official notice of its decision in docket number 19-49748. In that appeal, Henry Properties disclosed the subject property was sold as foreclosed “REO/Lender Owned” property in the same 2017 sale transaction submitted as evidence in the instant 2018 lien year appeal. The appellant submitted a Multiple Listing Service information sheet that disclosed the REO sale and disclosed in Section IV of the Petition that the subject was sold as foreclosure property. Although the appellant did not make those same disclosures in the instant appeal, the inconsistency of the evidence submitted by the appellant is viewed by the Board against the appellant.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in December 2017 for \$1,500,000 is a "compulsory sale." The evidence through official notice of the Board's 2019 decision disclosed that the subject was sold as “REO” property. REO is an abbreviation for “real estate owned.” Black's Law Dictionary, “REO” (10th ed. 2014). Real Estate Owned is defined as “Property acquired by a lender, usu. through foreclosure, in satisfaction of a debt. - Abbr. REO.” Black's Law Dictionary, “real estate owned” (10th ed. 2014). A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

The evidence through official notice of the Board's decision in docket number 19-49748 disclosed the subject was sold by the Bank as foreclosed "REO/Lender Owned" property. However, the Board may consider market value evidence, such as sales of comparable properties submitted by the parties, to determine whether the subject was sold at fair cash value. 86 Ill.Admin.Code §1910.65(c)(4); See Calumet Transfer LLC v. Illinois Property Tax Appeal Board, 401 Ill.App.3d 652 (1st Dist. 2010).

The appellant did not submit comparables or other evidence to establish that the sale of the subject was for fair cash value. The board of review submitted a sale comparable that contained property characteristics similar with the subject. That comparable property was most similar with the subject and sold in 2016 for \$612.87 per square foot of gross building area including land. The board of review also cited the 2017 sale in its Grid Analysis.¹ The subject's assessment reflects a market value of \$530.29 per square foot of gross building area including land, which is below the range established by the best comparable sales in this record. The subject's sale price of \$1,500,000, or \$393.08 per square foot of gross building area including land is below the range established by the market data.

In determining the fair cash value of the subject property and all relevant factors, the Board finds that the appellant did not submit enough evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the

evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
