

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Ross  
DOCKET NO.: 18-43237.001-R-1  
PARCEL NO.: 32-29-406-050-0000

The parties of record before the Property Tax Appeal Board are John Ross, the appellant(s), by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,718  
**IMPR.:** \$5,308  
**TOTAL:** \$7,026

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,250 square foot parcel improved with a 66-year-old, one-story, frame, single-family dwelling containing 832 square feet of building area. The property is located in South Chicago Heights, Bloom Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed the subject was purchased on July 23, 2015 for \$30,000 or \$36.06 per square foot of building area. The petition discloses that the transfer was not between related parties, that it was sold by owner, and that the property was advertised for an undisclosed period of time. The petition fails to disclose if the sale was a contract for deed or due to a foreclosure. The appellant also fails to disclose whether the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,026 which reflects a market value of \$70,260 or \$84.45 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted data on four sales comparables and listed the sale of the subject in August 2015 for \$30,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the sale of the subject too far removed from the lien date to accurately reflect the market value as of January 1, 2018. The Board finds the best evidence of market value to be the board of review's comparables. These comparables had sales prices ranging from \$48.19 to \$101.53 per square foot of building area. In comparison the subject's assessment reflects a market value of \$84.45 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
