

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joudeh Investments LLC
DOCKET NO.: 18-43338.001-R-1
PARCEL NO.: 16-13-224-013-0000

The parties of record before the Property Tax Appeal Board are Joudeh Investments LLC, the appellant(s), by attorney Spiro Zarkos, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,250
IMPR.: \$4,250
TOTAL: \$9,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2,500 square foot parcel of land improved with a 126-year-old, two-story, frame, multi-family dwelling containing 1,722 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed a purchase of the subject on April 18, 2018 for \$95,000. The settlement statement includes a commission for real estate agent fees. The appellant failed to check the box to disclose whether the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$18,337 with an improvement assessment of \$13,087 or \$7.60 per square foot of building area.

In support of the current assessment, the board of review submitted data on four suggested sales comparables. These comparables contain from 1,461 to 2,156 square feet of building area and sold from March to 2015 to November 2017 for prices ranging from \$107.28 to \$184.14 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in April 2018 for a price of \$95,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit sufficient evidence to challenge the arm's-length nature of the transaction. Therefore, the Board finds that this reduction to the assessment requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
