

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 475 Sky Real Estate LLC, Loomis Series  
DOCKET NO.: 18-43621.001-R-1  
PARCEL NO.: 17-17-305-003-0000

The parties of record before the Property Tax Appeal Board are 475 Sky Real Estate LLC, Loomis Series, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,265  
**IMPR.:** \$40,350  
**TOTAL:** \$49,615

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story multi-family building of masonry exterior construction with 3,750 square feet of building area. The building is approximately 135 years old. Features of the building include central air conditioning and a full basement finished with an apartment. The property has a 2,725 square foot site located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story or three-story class 2-11 multi-family buildings<sup>1</sup> of

masonry exterior construction that range in size from 3,432 to 4,191 square feet of building area and in age from 125 to 140 years old. Each comparable has a full basement, seven of which are finished with apartments. Four comparables each have central air conditioning. One comparable has a two-car garage. The comparables have improvement assessments ranging from \$37,786 to \$42,348 or from \$10.10 to \$11.03 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$40,350 or \$10.76 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$61,878. The subject property has an improvement assessment of \$52,613 or \$14.03 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables which are located within the same neighborhood code as the subject property. The comparables are improved with two-story or three-story class 2-11 multi-family buildings of masonry exterior construction that range in size from 3,234 to 3,501 square feet of building area and range in age from 116 to 130 years old. One comparable has a concrete slab foundation and three comparables each have a full basement, one of which is finished with an apartment. One comparable has central air conditioning. One comparable has two fireplaces. Three comparables each have a two-car garage. The comparables have improvement assessments ranging from \$50,557 to \$53,977 or from \$14.99 to \$15.65 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #6, #7 and #9 as well as the board of review comparables due to their larger building size, dissimilar three-story designs, garages and/or lack of a basement when compared to the subject. The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #4, #5 and #8 which are similar to the subject in design, age, dwelling size and features. These comparables have improvement assessments ranging from \$37,844 to \$40,082 or from \$10.45 to \$11.02 per square foot of living area. The subject's improvement assessment of \$52,613 or \$14.03 per square foot of living area falls above the range established by the best comparables in the record and is excessive. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity and commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
