

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 475 Sky Real Estate LLC, Wisconsin Series
DOCKET NO.: 18-43727.001-R-1
PARCEL NO.: 14-33-407-010-0000

The parties of record before the Property Tax Appeal Board are 475 Sky Real Estate LLC, Wisconsin Series, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,300
IMPR.: \$163,874
TOTAL: \$189,174

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 a three-story multi-family dwelling of masonry exterior construction with 5,026 square feet of living area. The dwelling is approximately 107 years old. Improvement #2 is a 900 square foot coach house. The property has a 2,300 square foot site located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-11 and a 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three class 2-11 equity comparables located in the same neighborhood code as the subject. The appellant's grid sheet and calculation of the subject's price per square foot of improvements does not include the square footage of the coach house, nor did the appellant submit comparable properties for the subject coach house.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,174. The subject property's total improvement assessment is \$163,874. The subject class 2-11 is assessed at \$25.30 per square foot of living area. The subject class 2-02 is assessed at \$40.77 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables for the subject class 2-11 property. The board of review did not submit comparable properties for the subject class 2-02 property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$27.65 to \$35.37 per square foot of living area. The subject's 2-11 improvement assessment of \$25.30 per square foot of living area falls below the range established by the best comparables in this record. Neither party submitted comparable properties for the subject's class 2-02 coach house. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
