

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Maguire  
DOCKET NO.: 18-43867.001-R-1  
PARCEL NO.: 17-09-259-022-1384

The parties of record before the Property Tax Appeal Board are Jennifer Maguire, the appellant(s), by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,145  
**IMPR.:** \$37,255  
**TOTAL:** \$38,400

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit within a condominium building located in Chicago, North Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the closing settlement statement, deed, and multiple listing service database (MLS) printout which disclosed a purchase of the subject on May 29, 2018 for \$384,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$46,005 which reflects a market value of \$460,050 using the Cook County

Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review included sales information on 66 units within the subject's building. One of these sales was the sale of the subject in June 2018 for \$384,000.

In rebuttal, the appellant submitted a letter asserting: the burden of proof was met; the 2018 median level of assessment should apply; the board of review did not make adjustments to the comparables; and that the board of review failed to submit sufficient evidence to support the assessment. The appellant also submitted new evidence of an appraisal in rebuttal. The Official Rules of the Property Tax Appeal Board prohibit the submission of new evidence in rebuttal and, therefore, appraisal cannot be considered by the Board. 86 Ill.Admin.Code 1910.66.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in May 2018 for a price of \$384,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not challenge the arm's-length nature of the transaction and included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$384,000 as of the lien date. The Board gives no weight the appellant's argument that the median level of assessment should apply as it came in rebuttal and is unsupported by evidence. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment to that requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
