

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kendra Black
DOCKET NO.: 18-44067.001-R-1
PARCEL NO.: 31-36-309-023-0000

The parties of record before the Property Tax Appeal Board are Kendra Black, the appellant(s), by attorney Alexia Katsaros, of Katsaros Law, P.C. in Western Springs; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,239
IMPR.: \$361
TOTAL: \$2,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 7,464 square foot parcel of land improved with a 66-year-old, one-story, frame and masonry, single-family building containing 974 square feet of building area. The property is located in Park Forest, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted the settlement statement which disclosed the subject was purchased on August 10, 2018 for \$26,000 or \$26.69 per square foot of building area. The petition discloses that the transfer was not between related parties, that it was sold through a realtor, that the property was advertised for sale for two months. The petition discloses that that the subject is not an owner-occupied residence.

In addition, the appellant submitted sales information on four comparables. These properties are one-story, single-family dwellings containing from 936 to 949 square feet of building area. They sold from May 2017 to May 2018 for prices ranging from \$15.40 to \$27.40 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,064 which reflects a market value of \$50,640 or \$51.99 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

The board of review included data on four sales comparables. The comparables are described as one-story, frame or frame and masonry, single-family dwellings. They are 65 years old and contain 949 square feet of building area. They sold from April to November 2017 for prices ranging from \$52.69 to \$71.73 per square foot of building area. The board of review also listed the sale of the subject in August 2018 for \$26,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2018 for a price of \$26,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit any evidence to challenge the arm's-length nature of the transaction and, in fact, included the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$26,000 as of the lien date. The Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
