

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

0APPELLANT: Edmund Kane
DOCKET NO.: 18-44152.001-R-1
PARCEL NO.: 06-21-206-027-0000

The parties of record before the Property Tax Appeal Board are Edmund Kane, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,118
IMPR.: \$29,232
TOTAL: \$33,350

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,236 square foot parcel of land improved with a 16-year old, two-story, frame, single-family dwelling containing 2,704 square feet of building area. Amenities include a full basement, air conditioning, a fireplace, and a three-car garage. The property is located in Streamwood, Hanover Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables. The properties are described as two-story, frame, single-family dwellings. They are located within one-quarter mile of the subject and have amenities of a full basement, air conditioning, a fireplace and a three-car garage. The comparables are 16-years old, contain from 2,608 to 2,880 square feet of building area, and have improvement assessment from \$7.86 to \$8.65 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" for one parcel. The subject's total assessment is \$35,452 with an improvement assessment of \$31,334 or \$12.39 per square foot of building area.

In support of the assessment the board of review submitted one equity comparable. This property is described as two-story, frame, single-family dwelling located on the subject's block. It has a full basement, air conditioning, a fireplace, and a three-car garage. It is 16-years old, contains 2,245 square feet of building area, and an improvement assessment of \$12.39 per square foot of building area. The board of review also disclosed a willingness to reduce the subject's assessment to reflect its 2018 sale price for an assessment of \$33,350.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be all the comparables. These comparables had improvement assessments ranging from \$7.86 to \$12.39 per square foot of building area. The subject's improvement assessment of \$11.59 per square foot of building area is within the range of the best comparables in this record. However, the board of review disclosed a sale price, asserted that this value was more reflective of the subject's value, and more equitable considering the comparables. Therefore, based on this record the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
