

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cobbs Construction LLC (Kjvick Cobbs)
DOCKET NO.: 18-44363.001-R-1
PARCEL NO.: 16-12-415-051-0000

The parties of record before the Property Tax Appeal Board are Cobbs Construction LLC (Kjvick Cobbs), the appellant, by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,211
IMPR.: \$6,289
TOTAL: \$8,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,216 square feet of living area. The dwelling is 55 years old. The property is situated on a parcel of land with 10,287 square feet, and is located in West Chicago Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was transferred to the appellant from Ugwu Uche on March 22, 2018 for a price of \$85,000 in a cash transaction. In support the appellant provided the Alta Settlement Statement as well as an MLS printout. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

In support of its contention of the correct assessment, the board of review submitted Notes on Appeal indicating the subject's current assessed value is \$10,475. The subject's assessment reflects a market value of \$104,750, or \$86.14 per square foot of living area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

The board of review also submitted information on four equity comparables, three of which reflected sale data. The comparables sold between May 2015 and August 2018 for sale prices ranging from \$132.47 to \$165.94 per square foot, including land. The grid sheet also reflected the sale of the subject in April 2018 for \$85,000, or \$69.90 per square foot, including land.

In written rebuttal, the appellant argued that the sale of the subject is the best evidence of market value. Additionally, the appellant distinguished the board of review's comparables from the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the undisputed purchase of the subject property in April 2018 for a price of \$85,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related and that the property was sold using a real estate broker. In support of the transaction, the appellant submitted the settlement statement and the Multiple Listing Service printout. As such, the Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or provide evidence that this sale was compulsory. Based on this record the Board finds a reduction to the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
