

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vivian Hapaniewski
DOCKET NO.: 18-44390.001-R-1
PARCEL NO.: 32-18-403-010-0000

The parties of record before the Property Tax Appeal Board are Vivian Hapaniewski, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,190
IMPR.: \$10,585
TOTAL: \$14,775

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 16,761 square foot parcel of land improved with a 61-year-old, one-story, masonry, single-family building containing 1,691 square feet of building area. The property is located in Chicago Heights, Bloom Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted five comparables. The comparables are described as one-story, single-family buildings. They contain from 1,528 to 2,011 square feet of building area and sold from April 2017 to August 2018 for prices ranging from \$16.99 to \$53.01 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$14,775 which reflects a market value of \$147,750 or \$87.37 per square foot of building area.

In support of the current assessment, the board of review submitted data on three comparables. The properties are described as one-story, masonry or frame and masonry, single-family buildings. They contain from 1,499 to 1,746 square feet of building area and sold from October to November 2018 for prices ranging from \$94.49 to \$229.10 per square foot of building area.

In rebuttal, the appellant submitted a letter asserting that the board of review did not object to any of the appellant's comparables and therefore they must be given the most weight. In addition, the appellant argued that the board of review's comparables are not similar to the subject. The appellant also argued that the Board fails to equalize the comparables and just reviews the raw sales data in comparing the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best comparables to be the appellant's comparables #2, #4, and #5 and the board of review's comparables #2, and #3. These properties sold from December 2016 to June 2018 for prices ranging from \$16.99 to \$229.10 per square foot of building area. The remaining comparables were given less weight due to differences in size. In comparison, the subject's assessment reflects a market value of \$87.37 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
