

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-44439.001-R-1
PARCEL NO.: 32-33-403-057-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,268
IMPR.: \$17,562
TOTAL: \$19,830

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,121 square feet of living area. The dwelling is approximately 16 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has an 8,250 square foot site and is located in Steger, Bloom Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis and property characteristic sheets for the subject and four comparable properties. The comparables have the same assessment neighborhood code as the subject and are located within .9 of a mile from the subject property. The comparables are improved with class 2-78 two-story dwellings of frame or

frame and masonry exterior construction ranging in size from 2,121 to 2,838 square feet of living area. The dwelling are 16 to 62 years old. One comparable has a concrete slab foundation and three comparables each have a full or a partial basement that is unfinished. Three comparables have central air conditioning, two comparables each have one fireplace and each comparable has a two-car garage. The comparables have improvement assessments that range from \$14,316 to \$22,229 or from \$5.40 to \$8.23 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$14,126 or \$6.66 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,830. The subject property has an improvement assessment of \$17,562 or \$8.28 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted a grid analysis of the subject and four comparable properties located within the same neighborhood code and block as the subject property. The comparables are improved with class 2-78 two-story dwellings of frame exterior construction with either 2,121 or 2,425 square feet of living area. Each dwelling is 16 years old. The comparables each have a full unfinished basement, central air conditioning and a two-car garage. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$20,171 to \$22,518 or from \$9.29 to \$10.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to appellant's comparables #1, #2 and #4, as well as board of review comparable #4 due to their larger dwelling sizes and/or older ages when compared to the subject dwelling. Furthermore, the appellant's comparable #2 has a dissimilar concrete slab foundation in contrast to the subject's basement foundation and it lacks central air conditioning, a feature of the subject. The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are identical to the subject in dwelling size and similar to the subject in location, design, age and features. The comparables have improvement assessments ranging from \$14,611 to \$21,346 or from \$6.89 to \$10.06 per square foot of living area. The subject's improvement assessment of \$17,562 or \$8.28 per square foot of living area falls within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
