

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dominick Geraci  
DOCKET NO.: 18-44515.001-C-1 through 18-44515.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Dominick Geraci, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
18-44515.001-C-1	17-18-328-001-0000	5,140	36,187	\$ 41,327
18-44515.002-C-1	17-18-328-002-0000	6,018	34,627	\$ 40,645

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the “Board”) finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a three-story building of masonry construction with 3,894 square feet of building area. The building is 107 years old. Features of the building include a partial unfinished basement. The property’s site is 3,282 square feet, and it is located in West Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on May 1, 2016 for a price of \$450,000. Based on this evidence, the appellant requested a reduction in the subject’s assessment to \$45,000.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$81,972. The subject’s assessment reflects a market value of \$819,720 when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from March 2016 to October 2018 for \$450,000 to \$1,200,000, or \$130.82 to \$182.26 per square foot of building area, including land. The board of review’s evidence also states that the subject was purchased in March 2016 for \$450,000.

The board of review also submitted a supplemental brief with supporting evidence arguing that the subject has been substantially rehabilitated since it was purchased in May 2016.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject’s assessment is not warranted.

The Board finds that there is no evidence in the record to show that the sale of the subject in May 2016 was an arm’s-length transaction, such as whether the parties utilized the services of a real estate broker, or whether the subject was advertised for sale on the open market. As such, the Board is unable to determine whether the sale price of 450,000 represents the subject’s fair cash value. The appellant did not submit any further evidence as to the subject’s market value. Therefore, the Board finds that the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
