

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Albany Bank Trust No. 11-6380  
DOCKET NO.: 18-44775.001-R-1  
PARCEL NO.: 13-25-308-002-0000

The parties of record before the Property Tax Appeal Board are Albany Bank Trust No. 11-6380, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,773  
**IMPR.:** \$51,953  
**TOTAL:** \$62,726

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 111-year-old, two-story, mixed-use building of masonry construction with 3,509 square feet of building area. Features of the building include four and a half bathrooms. The property has a 3,780 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables. The comparable properties were improved with two-story, mixed-use properties of masonry or masonry and frame construction. The comparable properties range: in age from 108 to 124 years old; in square feet of building area between 2,790 and 5,520; improvement assessment of

\$23,555-\$63,460; and improvement assessment per square feet of \$8.44-\$12.03. In addition, the comparable properties had either one, two, four, or five full bathrooms.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,726. The subject property has an improvement assessment of \$51,953 or \$14.81 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each of the comparable properties was improved with a two-story mixed-use building of masonry construction and range in age from 110-114 years old. The improvement assessment of the comparable properties ranged between \$46,600-\$98,384, or between \$15.13-\$25.62 per square foot. In addition, the comparable properties had either two or three full bathrooms.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparable #5 and board of review comparables #1, #2, and #3*. These comparables had improvement assessments that ranged from \$12.03 to \$25.62 per square foot of building area. The subject's improvement assessment of \$14.81 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
