

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lukasz Lipinski
DOCKET NO.: 18-45142.001-R-1
PARCEL NO.: 07-28-206-033-0000

The parties of record before the Property Tax Appeal Board are Lukasz Lipinski, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,495
IMPR.: \$13,893
TOTAL: \$18,388

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 50-year-old, multi-level, single-family dwelling of frame construction with 1,075 square feet of living area. Features of the home include: a partial basement with a formal recreation room, central air conditioning and a one-car garage. The property has a 10,577 square foot site and is located in Schaumburg, Schaumburg Township, Cook County. The subject's Property Index Number (PIN) for the subject is 07-28-206-033-0000 and it is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparables. They were improved with multi-level, single-family dwellings of frame construction. The improvements were located within a mile radius of the subject and ranged: in age from 43 to 49

years; in size from 1,075 to 1,268 square feet; and in improvement assessment of \$12.42 to \$13.16 per square foot of living area. The appellant information indicated that the subject property's total assessment was \$21,308, and the subject had an improvement assessment of \$16,813 or \$15.64 per square foot of living area. Based on this evidence, the appellant is requesting an assessment amount of \$17,847.

The board of review submitted its "Board of Review Notes on Appeal"; however, it references an unrelated property (PIN 07-16-109-002-0000) and also lists four suggested equity comparables that are related to a property other than the subject.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be the *appellant's comparables #1 through #3*. They had improvement assessments that ranged from \$12.42 to \$13.16 per square foot of living area. The subject's improvement assessment of \$15.64 per square foot of living area falls above the range established by the best comparables in this record. The board of review's four suggested comparables are not entitled to any weight because they are suggested comparables for a property other than the subject. Based on this record, the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
