

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Malgorzata Kielian  
DOCKET NO.: 18-45198.001-R-1  
PARCEL NO.: 06-17-111-029-0000

The parties of record before the Property Tax Appeal Board are Malgorzata Kielian, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,361  
**IMPR.:** \$4,565  
**TOTAL:** \$5,926

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 9,975 square foot parcel of land improved with a 23-year-old, two-story single-family dwelling of frame construction containing 2,246 square feet of living area. The property is located in Elgin, Hanover Township, Cook County and is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$21,294 with an improvement assessment of \$13,813 or \$6.15 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables that were located within a ¼ mile radius of the subject with three of the properties located on the same block as the subject. These

properties are described as two-story, frame construction single-family dwellings. They range: in age from 21 to 25 years; in size from 2,222 to 2,246 square feet of building area; and in improvement assessments from \$7.71 to \$9.52 per square foot of building area. Amenities include a full unfinished basement in two properties, a slab foundation in one property and a partial unfinished basement in their fourth property. They had either a two-car or three-car garage, three properties had central air conditioning and two properties had a fireplace.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *the appellant's comparable #3 and the board of review's comparables #1 and #4*. These comparables had improvement assessments that ranged from \$5.78 to \$9.52 per square foot of living area. The subject's improvement assessment of \$6.15 per square foot of living area falls within the range established by the best comparables in this record. The remaining properties were accorded diminished weight due to a disparity in location, exterior construction, size and/or amenities. Based on this record, the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
