

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Filberto Quiles
DOCKET NO.: 18-46124.001-R-1
PARCEL NO.: 13-25-112-004-0000

The parties of record before the Property Tax Appeal Board are Filberto Quiles, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,977
IMPR.: \$33,042
TOTAL: \$42,019

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,150 square foot parcel of land improved with a 120-year-old, two-story, frame, multi-family dwelling, containing 2,473 square feet of living area. The property is located in Chicago, West Chicago Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of its argument, appellant submitted information on seven suggested equity comparables. They were each improved with either a one-and-a-half-story or two-story, multi-family dwelling, of masonry or frame construction. They ranged in size between 2,368 and 3,267 square feet of living area and in improvement assessment between \$10.64 and \$12.68 per square feet of living area. Their proximity to the subject property ranged between 0.01 to 0.41 miles. Based on this evidence, appellant requested a reduction in the subject's assessment to \$38,497.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$42,019, with an improvement assessment of \$33,042, or \$13.36 per square feet of living area. In support of its contention of the correct assessment, the board of review submitted four comparable properties. The comparable properties were two-story, multi-family dwellings of frame or masonry construction and ranged in size between 2,041 and 2,438 square feet of living area, in age between 102 and 123 years, and in assessment between \$15.31 and \$16.90 per square foot of living area. All of the comparables were on the same block as the subject property.

Conclusion of Law

Appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable #7 and board of review comparables #3 and #4. These comparables were most similar to the subject property in living square footage and had improvement assessments that ranged from \$10.64 to \$16.46 per square foot of living area. The subject's improvement assessment of \$13.36 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
