

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Castelli  
DOCKET NO.: 18-46174.001-R-1  
PARCEL NO.: 17-18-315-065-0000

The parties of record before the Property Tax Appeal Board are John Castelli, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,776  
**IMPR.:** \$44,614  
**TOTAL:** \$50,390

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1,699 square foot parcel of land improved with a 135-year-old, three-story, masonry, multi-family dwelling, containing 3,816 square feet of living area. The property is located in Chicago, West Chicago Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of its argument, appellant submitted information on nine suggested equity comparables. They were each improved with either a two-story or three-story, multi-family dwelling, of masonry construction. They ranged in size between 2,995 and 4,680 square feet of living area and in improvement assessment between \$5.96 and \$11.07 per square feet of living area. The comparable sales properties were within 0.00 to 0.11 miles of the subject property. Based on this evidence, appellant requested a reduction in the subject's assessment to \$44,309.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$50,390, with an improvement assessment of \$44,614, or \$11.69 per square feet of living area. In support of its contention of the correct assessment, the board of review submitted three equity comparable properties. The comparable properties were three-story, multi-family dwellings of masonry construction and ranged in size between 3,687 and 4,080 square feet of living area, in age between 125 and 130 years, and in assessment between \$12.12 and \$12.74 per square foot of living area. They were all within a quarter mile of the subject property.

### **Conclusion of Law**

Appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, #3, #5, and #6 and board of review comparables #2 and #3. These comparables were most similar to the subject property in square living area and had improvement assessments that ranged from \$10.45 to \$12.74 per square foot of living area. The subject's improvement assessment of \$11.69 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
