

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Emir Djurovic
DOCKET NO.: 18-46285.001-R-1 through 18-46285.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Emir Djurovic, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-46285.001-R-1	10-15-216-009-0000	3,039	7,357	\$10,396
18-46285.002-R-1	10-15-216-010-0000	3,041	7,358	\$10,399

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two land parcels with two Property Index Numbers improved with a 62-year-old, one-story, single-family dwelling of masonry construction. The improvement contains 1,242 square feet of living area, a full unfinished basement, central air conditioning and a two and one-half car garage. The property is sited on 8,388 square feet of land and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-03, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation and assessment inequity in this appeal. In support of the overvaluation argument, the appellant submitted information on four Class 2-03 sales comparables with varying degrees of similarities to the subject. The appellant did not report the exact proximity of the suggested comparables to the subject but disclosed that they had the same neighborhood code as the subject. The comparables were described as one-story, single-family

dwellings of either masonry or frame and masonry construction. They ranged in age from 56 to 61 years and in size from 1,202 to 1,570 square feet of building area. They sold from January 2017 to March 2018 for prices ranging from \$132.36 to \$176.91 per square foot of building area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The appellant also presented evidence on four equity comparables in support of the assessment inequity argument. The appellant did not report the exact proximity of the suggested comparables to the subject but disclosed that they had the same neighborhood code as the subject. The improvements ranged in improvement assessment from \$11.16 to \$13.99 per square foot of living area.

The appellant provided a 2018 board of review decision that showed the total assessment for PIN 10-15-216-009-0000 to be \$12,789 and the total assessment for PIN 10-15-216-010-0000 to be \$12,791 for a total for both PINs of \$25,580. The subject property has a total improvement assessment of \$19,500 or \$15.70 per square foot of living area. The subject's assessment reflects a market value of \$255,800 or \$205.95 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of one of the subject's two parcels of \$12,789.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables. They are improved with a one-story, single-family dwelling of masonry construction and were located within a block of the subject. The improvements ranged: in size from 1,104 to 1,515 square feet of living area; in age from 60 to 62 years of age; and in assessment from \$13.99 to \$19.09 per square foot.

The board of review did not submit suggested sales comparables of its contention of the correct assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value to be the appellant's sales comparables. These comparables sold for prices ranging from \$132.36 to \$176.91 per square foot of building area, land included. The subject's assessment reflects a market value of \$205.95 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment based on the overvaluation argument is justified. Since market value has

Docket No: 18-46285.001-R-1 through 18-46285.002-R-1

been determined, the Board finds that the subject is now fairly and equitably assessed. See Central Nursing Realty, LLC v. Illinois Property Tax Appeal Board, 2020 IL App (1st) 180994, ¶¶ 34-36.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
