

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John & Debbie Schmitz
DOCKET NO.: 18-46561.001-R-1
PARCEL NO.: 31-11-216-014-0000

The parties of record before the Property Tax Appeal Board are John & Debbie Schmitz, the appellant(s), by attorney Gabriel Orenic, of Orenic Law LLC in Joliet; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,138
IMPR.: \$5,862
TOTAL: \$12,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 81,849 square foot parcel of land improved with 75-year-old, one and one-half story, frame, single-family dwelling containing 2,024 square feet of building area. The property is located in Homewood, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of January 1, 2018 of \$120,000. The appraisal utilized the sales comparison approach in developing this value. The petition does not disclose the subject's occupancy, but the appellant's brief asserts the subject is owner-occupied. The appellant's brief requests an assessment of \$10,776 based on a 2018 median level of assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$20,407 which reflects a market value of \$204,070 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted three sale comparables. These properties contain from 1,100 to 1,812 square feet of building area and sold from May to October 2017 for prices ranging from \$23.18 to \$135.91 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The appellant's appraiser utilized the sales comparison approach to value in determining the subject's market value. The Board finds this appraisal to be persuasive because the appraisal discloses that the appraiser inspected the subject, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. Therefore, the Board finds the subject property had a market value of \$120,000 as of the assessment date at issue. The Board gives no weight to the appellant's median level of assessment argument as there is no supporting evidence for this argument. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
