

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy McGuire  
DOCKET NO.: 18-46777.001-R-1  
PARCEL NO.: 25-19-211-016-0000

The parties of record before the Property Tax Appeal Board are Timothy McGuire, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,315  
**IMPR.:** \$7,267  
**TOTAL:** \$10,582

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level, single-family dwelling of frame construction with 969 square feet of living area. The building is 48 years old. Features of the home include a partial basement utilized as a recreation room and a two-car garage. The property has a 5,100 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between February of 2017 and September of 2018. The comparable properties ranged: in price between \$34,900 to \$81,200; in living square footage between 969 to 1,072; and in sale price per square foot between \$35.98 to \$83.80, including land. The appellant also submitted a

Comparable Sales Analysis grid and chart with information compiled from their sales comparables as well as documents from the Recorder of Deeds for all of the comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,582. The subject's assessment reflects a market value of \$105,820 or \$109.21 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables; one of which contained sales data. The singular sale comparable had 969 square feet of living area and sold in August of 2016 for \$130,000 or \$134.16 price per square foot, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2 and #4 and the board of review's comparable #1. These comparables sold for prices ranging from \$35.98 to \$134.16 per square foot of living area. The subject's assessment reflects a market value of \$109.21 per square foot of living area which is within the range established by the best comparable sales in this record. The remaining comparables were given less weight due to their location and size. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
