

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Panagiotaros
DOCKET NO.: 18-46814.001-R-1
PARCEL NO.: 20-30-108-026-0000

The parties of record before the Property Tax Appeal Board are Ted Panagiotaros, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,047
IMPR.: \$3,943
TOTAL: \$5,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction with 828 square feet of living area. The building is 92 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 3,150 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between August of 2017 and April of 2018. The comparable properties ranged: in price between \$30,000 to \$53,000; in living area square footage between 760 to 976; and in sale price per square foot between \$30.74 to \$59.21, including land. The appellant also submitted a Comparable Sales Analysis grid and chart with information compiled from their sales

comparables as well as documents from the Recorder of Deeds for all of the comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,990. The subject's assessment reflects a market value of \$59,900 or \$72.34 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables. All were improved with a one-story, single-family dwelling of either frame or masonry construction. The improvements ranged: in age from 58 to 92 years old; in size between 1,040 and 1,106 square feet of living area; and in sale price per square foot between \$76.83 to \$84.66, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1 and #2 and the board of review's comparables #1 and #4. These comparables sold for prices ranging from \$30.74 to \$81.75 per square foot of living area. The subject's assessment reflects a market value of \$72.34 per square foot of living area which is within the range established by the best comparable sales in this record. These comparables were given more weight due to their size and construction. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
