

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 18-46830.001-R-1
PARCEL NO.: 32-03-414-017-0000

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant, by attorney Peter D. Verros of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,980
IMPR.: \$7,650
TOTAL: \$9,630

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a bi-level¹ dwelling of frame exterior construction with 1,125 square feet of living area. The dwelling is approximately 47 years old. Features of the home include a full basement with finished area and a 2-car garage. The property has a 7,200 square foot site and is located in Glenwood, Bloom Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis and photographs of the subject and four comparable properties that are located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03 one-

story² dwellings of frame or masonry exterior construction ranging in size from 1,240 to 1,400 square feet of living area. The dwellings are 47 to 58 years old. One comparable has a concrete slab foundation, one comparable has a crawl space foundation and two comparables each have a full basement, one of which has finished area. Two comparables each have either a 1-car or a 2-car garage. Comparable #4 has central air conditioning and one fireplace. The comparables have improvement assessments that range from \$6,211 to \$7,221 or from \$5.00 to \$5.19 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$5,783 or \$5.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,630. The subject property has an improvement assessment of \$7,650 or \$6.80 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted a grid analysis and photographs of the subject and four comparable properties located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03 bi-level³ dwellings of frame exterior construction ranging in size from 1,069 to 1,109 square feet of living area. The dwellings are 48 to 51 years old. Each comparable has a full or partial basement, two of which have finished area. Two comparables have central air conditioning and a 1.5-car garage. Comparable #1 has one fireplace. The comparables have improvement assessments that range from \$7,459 to \$8,251 or from \$6.96 to \$7.44 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their dissimilar one-story design and larger dwelling sizes when compared to the subject. Furthermore, two of the appellant's comparables lack a basement foundation, a feature of the subject. The Board finds the best evidence of assessment equity to be the comparables presented by the board of review, which are overall most similar to the subject in location, dwelling size, design, age and some features. These comparables have improvement assessments that range from \$7,459 to \$8,251 or from

\$6.96 to 7.44 per square foot of living area. The subject's improvement assessment of \$7,650 or \$6.80 per square foot of living area falls within the range established by the best comparables in the record in terms of overall improvement assessment but below the range on an assessed value square foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
