

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Florian  
DOCKET NO.: 18-47243.001-R-1 through 18-47243.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Dan Florian, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-47243.001-R-1	10-15-221-030-0000	2,849	9,501	\$12,350
18-47243.002-R-1	10-15-221-031-0000	2,849	9,501	\$12,350

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two parcels of land improved with a 62-year-old, one-story, masonry, single-family dwelling containing 1,215 square feet of building area. The property is located in Skokie, Niles Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted data on four suggested sales comparables. These comparables are one-story, masonry or frame and masonry, single-family dwellings. They are 58 to 65 years old, contain from 1,202 to 1,570 square feet of building area, and sold from July 2016 to January 2018 for prices ranging from \$156.05 to \$188.53 per square foot of building area. The petition discloses that the subject is not an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for one parcel. The subject's total assessment is \$24,700 which reflects a market value of \$247,000 or \$203.29 per square foot of building area using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted three sales comparables. These comparables are one-story, masonry or frame and masonry, single-family dwellings. They are from 59 to 62 years old, contain from 1,288 to 1,445 square feet of building area, and sold from May to August 2016 for prices ranging from \$206.93 to \$276.01 per square foot of building area. The grid lists the subject's second parcel under comparable #1.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best comparables to reflect the subject's market value be the appellant's comparables #2 and #3 and the board of review's comparables #3 and #4. These properties sold from May 2016 to January 2018 for prices ranging from \$176.91 to \$276.01 per square foot of building area. The remaining comparables were given less weight due to construction or fireplace amenities. In comparison, the subject's assessment reflects a market value of \$203.29 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
