

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sophie Rogalewicz
DOCKET NO.: 18-47662.001-R-1
PARCEL NO.: 17-06-118-010-0000

The parties of record before the Property Tax Appeal Board are Sophie Rogalewicz, the appellant, by attorney Christopher G. Walsh, Jr. of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,380
IMPR.: \$103,026
TOTAL: \$119,406

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements on one parcel of land with a lot size of 3,600 square feet. Improvement #1 is a three-story, masonry, multi-family dwelling with 3,528 square feet of living area. It is 120 years old. Improvement #2 has 572 square feet of living area. The improvements are in West Chicago Township, Cook County. Each improvement is classified as class 2 property under the Cook County Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables for Improvement #1. They ranged in improvement assessment per square foot value from \$15.19 to \$18.07. The appellant failed to provide comparables for Improvement #2. Based on this evidence, the appellant requested an assessment reduction to \$76,638.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$119,406. The subject property has a total improvement assessment of \$103,026. The board of review did not provide an improvement value breakdown for Improvements #1 and #2.

The board of review submitted a total of three equity comparables for Improvement #1, all of which reflected sale data. They ranged in improvement assessment per square foot value from \$25.84 to \$32.89. The board of review failed to provide equity comparables for Improvement #2. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Neither party submitted written rebuttal.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that neither party submitted a breakdown of the improvement assessment allocated to each Improvement. As such the Board is unable to determine the level of comparability of the suggested comparables to the subject property. Based on the evidence contained in this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
