

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William O'Neill
DOCKET NO.: 18-47667.001-R-1
PARCEL NO.: 17-17-310-027-0000

The parties of record before the Property Tax Appeal Board are William O'Neill, the appellant(s), by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 25,704
IMPR.: \$ 88,012
TOTAL: \$113,716

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements on one parcel of land. Improvement #1 is a two-story, masonry, single-family home that is 127 years old. It contains 6,061 square feet of living area. Improvement #2 contains 2,880 square feet of living area. The improvements are situated on a 6,310 square foot parcel. They are located in West Chicago Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables for Improvement #1. The suggested comparables range in improvement assessment per square foot of living area from \$9.91 to \$11.76. No data was submitted for Improvement #2. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$117,716. The subject property has a total improvement assessment of \$92,012. Improvement #1 has an improvement assessment of \$79,763 or a per square foot value of \$13.16. In support of its contention of the correct assessment for Improvement #1, the board of review submitted information on four equity comparables, two of which reflected sale data. The suggested comparables range in improvement assessment per square foot of living area from \$12.35 to \$17.55. The improvement assessment for Improvement #2 was calculated to be \$12,249, however, no other data was submitted for Improvement #2. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparable(s) #3, as well as comparable(s) #1 and #3 submitted by the board of review, as they are most similar to the subject in location, size and age. These comparables had improvement assessments that ranged from \$11.70 to \$12.99 per square foot of living area. The subject's improvement assessment of \$13.16 per square foot of living area falls just above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement assessment for Improvement #1 was inequitably assessed and a reduction in the subject's assessment is justified. As no data was submitted for Improvement #2, no assessment reduction for that improvement is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
