

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Valerie & Richard Persenaire
DOCKET NO.: 18-48180.001-R-1
PARCEL NO.: 32-36-104-021-0000

The parties of record before the Property Tax Appeal Board are Valerie & Richard Persenaire, the appellants, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,815
IMPR.: \$3,050
TOTAL: \$4,865

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 918 square feet of living area. The dwelling is approximately 57 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 6,600 square foot site and is located in Sauk Village, Bloom Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables have sites with either 6,600 or 6,762 square feet of land area. The comparables are improved with class 2-02 dwellings of frame exterior construction with 864 or 913 square feet of living area. The comparables range in

age from 56 to 58 years old. Two comparables have full unfinished basements and two comparables have concrete slab foundations. Three comparables each have a two-car garage. The comparables sold from December 2016 to April 2018 for prices ranging from \$24,000 to \$33,500 or from \$27.78 to \$38.77 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$2,985, reflecting a market value of \$29,850 or \$32.52 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The Property Tax Appeal Board takes notice that the subject property was the subject matter of an appeal before the Board the prior year under Docket No. 17-44413.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$4,865 based on the evidence submitted by the parties. Furthermore, the appellants disclosed the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,500. The subject's assessment reflects a market value of \$55,000 or \$59.91 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review also indicated that 2017 was the first year of the triennial general assessment period for Bloom Township.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables. As equity data is not responsive to the appellants' overvaluation argument, this data will not be further examined.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds a reduction in the subject's assessment is warranted.

The Board finds section 16-185 of the Property Tax Code (35 ILCS 200/16-185) is controlling in this matter. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year under Docket Number 17-44413.001-R-1 should be carried forward to the 2018 tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such

reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
