

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Salf 920, LLC
DOCKET NO.: 18-48552.001-C-1
PARCEL NO.: 17-04-429-013-0000

The parties of record before the Property Tax Appeal Board are Salf 920, LLC, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$255,750
IMPR.: \$1,050,500
TOTAL: \$1,306,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied commercial building of masonry construction with 40,434 square feet of building area. The building was constructed in 1924. Features of the building include a multi-tenant, converted industrial to office loft building. The property has a 9,300 square foot site and is located in Chicago, North Chicago Township, Cook County. The property is a class 5-91 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$5,225,000 as of *January 1, 2018*.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$1,374,756. The subject's assessment reflects a market value of \$5,499,024 or \$136.00 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance of 25% as determined by the Illinois Department of Revenue.

The board of review did not submit any additional evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by the appellant*. The subject's assessment reflects a market value below the best evidence of market value in the record. The Board finds the subject property had a market value of \$5,225,000 as of the assessment date at issue. Since market value has been established the 25% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
