

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Goldman
DOCKET NO.: 18-48671.001-R-1
PARCEL NO.: 14-31-321-044-0000

The parties of record before the Property Tax Appeal Board are Laurie Goldman, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,895
IMPR.: \$68,160
TOTAL: \$73,055

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 19-year-old, three-story townhome with 1,852 square feet of living area of masonry construction. Features of the home include a fireplace and a two-car garage. The property has a 1,076 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a list of ten comparable *sales* indicating PINs, sales prices, and living square footage.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,611. In support of its contention of the correct assessment the board of review submitted information on three *equity* comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board notes that the Board of Review Notes on Appeal include a total assessment for the subject property that is different from the Board of Review's written decision letter. In addition, the board of review submitted equity comparables while the appellant submitted sales comparables. Furthermore, none of the appellant's sales comparables contain sufficient information for the board to determine similarity to the subject property. As a result, the Board finds the appellant has not met its burden of proof by the preponderance of the evidence. Based on the evidence provided, the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
