

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Wilson  
DOCKET NO.: 18-48979.001-R-1  
PARCEL NO.: 04-16-202-036-0000

The parties of record before the Property Tax Appeal Board are Halina Wilson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 17,094  
**IMPR.:** \$ 72,906  
**TOTAL:** \$ 90,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) after receiving a favorable decision from the Property Tax Appeal Board (the "Board") in the prior year. The instant appeal challenges the assessment for tax year 2018. The Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction with 5,200 square feet of living area. The dwelling is seven years old. Features of the home include a full basement with a formal recreation room, central air conditioning, a fireplace, and a three-car garage. The property's site is 18,480 square feet, and it is located in Northfield Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on 10 equity comparables.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$900,000 as of January 1, 2016. The appraisal states that the subject is owner-occupied. The

appellant also submitted the first page of a second appraisal estimating the subject property had a market value of \$920,000 as of January 1, 2019. The appellant also submitted information on 10 sale comparables. These comparables sold between June 2015 and August 2016 for \$845,000 to \$1,000,000, or \$143.83 to \$243.37 per square foot of living area, including land.

The subject property was the subject matter of an appeal before the Board in 2017 under docket number 17-44702. In that appeal, the Board rendered a decision lowering the subject's assessment to \$90,000. The appellant requests that the subject's assessment for tax year 2017 as determined by the Board be carried forward to the instant tax year of 2018 based on section 16-185 of the Property Tax Code. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$90,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$125,664. The subject property has an improvement assessment of \$108,570, or \$20.88 per square foot of living area. The subject's assessment reflects a market value of \$1,256,640, or \$241.66 per square foot of living area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from June 2016 to September 2017 for \$1,300,000 to \$1,625,000, or \$256.46 to \$290.07 per square foot of living area, including land.

In rebuttal, the appellant reaffirmed the evidence previously submitted.

### **Conclusion of Law**

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2017 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2017 and the instant tax year of 2018 are in the same general assessment period for Northfield Township. The Board further finds that the subject is owner-occupied based on the appraisal submitted by the appellant, which states that the subject is owner-occupied. The record contains no evidence indicating that the

subject sold in an arm's-length transaction subsequent to the Board's 2017 decision, or that the Board's 2017 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2017 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
