

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eyob Meles
DOCKET NO.: 18-49086.001-R-1
PARCEL NO.: 21-31-323-020-0000

The parties of record before the Property Tax Appeal Board are Eyob Meles, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,475
IMPR.: \$1,525
TOTAL: \$4,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half-story, multi-family dwelling of masonry construction with 1,890 square feet of living area. The dwelling is 94 years old. Features of the home include a partial basement. The property has a 2,750 square foot site located in Hyde Park Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on the sale of the subject in November 2015 for a price of \$40,000. The appellant also submitted recent sale information for four comparable sales. Based on this evidence, the appellant requested an assessment reduction to \$4,000.

The subject has an assessment of \$9,208 which reflects a market value of \$92,080, or \$48.72 per square foot of living area, land included, when using the 2018 level of assessment for Cook County of 10%.

The board of review submitted its "Board of Review Notes on Appeal"; however, the board's notes reference the incorrect subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. These most similar comparables sold for prices ranging from \$10.95 to \$16.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$48.72 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment to the appellant's requested assessment of \$4,000 is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
