

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Curtin
DOCKET NO.: 18-49215.001-R-1
PARCEL NO.: 05-34-108-039-0000

The parties of record before the Property Tax Appeal Board are Thomas Curtin, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,293
IMPR.: \$38,662
TOTAL: \$39,955

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board (PTAB) pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of masonry exterior construction with 1,500 square feet of living area. The dwelling is approximately 21 years old. Features of the property include a partial basement with finished area, central air conditioning, one fireplace and a two-car garage. The property has a 761 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends, in part, the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2016 tax year under Docket Number 16-230718.003-R-1 should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The Board also takes judicial notice that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for

the 2017 tax year under Docket Number 17-45528.001-R-1. In these appeals, the Board lowered the total assessment of the subject property to \$39,955 based on the evidence. The appellant submitted a copy of the 2016 final decision by the Property Tax Appeal Board and disclosed the subject property is an owner-occupied residence.

Alternatively, in support of the assessment inequity argument the appellant submitted information on five equity comparables located within the same neighborhood code as the subject. The comparables are improved with class 2-95, two-story dwellings of masonry or frame and masonry exterior construction with varying degrees of similarity to the subject in age, dwelling size and other features. The comparables have improvement assessments ranging from \$27,216 to \$32,897 or from \$18.83 to \$22.50 per square foot of living area.

In a legal brief, the appellant's attorney contends that since the time of the 2016 assessment reduction there have been no capital improvements made to the property which would materially increase the market value. Based on this evidence, the appellant's attorney asserted that 2016 through 2018 is the triennial general assessment cycle for the subject property and requested the subject's assessment be revised so as not to exceed the 2016 assessment of \$39,955.

The board of review submitted its "Board of Review Notes on Appeal" for a different docket number and a parcel other than the subject property under appeal. The notes on appeal revealed that 2016 was the beginning of the subject's general assessment cycle for New Trier Township. The board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-95, two-story dwellings of masonry or frame and masonry exterior construction with varying degrees of similarity to the subject in age, dwelling size and other features. The comparables have improvement assessments ranging from \$37,884 to \$50,973 or from \$22.96 to \$31.86 per square foot of living area.

Conclusion of Law

The appellant, in part, raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted on this basis.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds section 16-185 of the Property Tax Code (35 ILCS 200/16-185) is controlling in this matter. The record disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2016 and 2017 tax years under Docket Numbers 16-230718.003-R-1 and 17-45528.001-R-1. In these appeals, the Property Tax Appeal Board issued decisions lowering the subject's total assessment to \$39,955. The record disclosed the subject property is an owner-occupied dwelling and that the 2016 through 2018 tax years are within the same general assessment period for New Trier Township. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decisions, or the decisions of the Property Tax Appeal Board have been reversed or modified upon review. For these reasons, the PTAB finds a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

The Board further finds that given the reduction in the total assessment under the mandates of Section 16-185 of the Property Tax Code, no additional reduction based on assessment inequity is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
