

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Hume
DOCKET NO.: 18-49395.001-R-1
PARCEL NO.: 12-28-211-052-0000

The parties of record before the Property Tax Appeal Board are Linda Hume, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,475
IMPR.: \$6,655
TOTAL: \$9,130

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 77-year-old two-story dwelling of frame construction containing 913 square feet of living area. The property is located in Franklin Park, Leyden Township, Cook County. Amenities include a slab foundation. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property was the subject matter of an appeal before the Board in 2017 under docket number 17-44892.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$9,130. The appellant requests that the subject's assessment for tax year 2017 as determined by the Board be carried forward to the instant tax year of 2018 based on section 16-185 of the Property Tax Code. In Section II of the appeal form, the appellant stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$9,130.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$15,121 with an improvement assessment of \$12,646 or \$9.87 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

In rebuttal, the appellant reaffirmed the evidence previously submitted.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to Section 16-185. When a contention of law is raised, the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed: that the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence that the subject property was sold in an arm's-length transaction after the Board's decision or that the decision of the Board has been reversed or modified upon review. Therefore, the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
