

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Samuel Sanchez
DOCKET NO.: 18-49454.001-R-1
PARCEL NO.: 19-01-319-037-0000

The parties of record before the Property Tax Appeal Board are Samuel Sanchez, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,125
IMPR.: \$16,672
TOTAL: \$19,797

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 91-year-old, one-story, single-family dwelling of masonry construction with 1,319 square feet of living area. Features of the dwelling include one bath, a full unfinished basement, and three bedrooms. The property has a 3,125 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a Class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on eight suggested equity comparables. The appellant submitted evidence disclosing the prior year Board's decision under docket number 17-40916.001-R-1.¹ In that appeal, the Property Tax Appeal Board rendered a decision lowering the

assessment of the subject property to \$16,002 based on the evidence submitted into evidence. The appellant requested the subject's total assessment be reduced to \$15,756.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,202. The subject property has an improvement assessment of \$22,077 or \$16.74 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. They are improved with a one-story, single-family dwelling of masonry construction. The comparables were located within the same subarea as the subject with one comparable located within a ¼ mile radius of the subject. The improvements ranged: in age from 1 to 90 years; in size from 1,235 to 1,300 square feet of living area; and in assessment from \$18.98 to \$25.39 per square foot of living area. Amenities include either a full finished basement with a formal recreation room, either no garage or a two-car garage and two comparables with central air conditioning.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #4, #5 and #8. These comparables are similar in location, age, and size to the subject. These comparables had improvement assessments that ranged from \$11.94 to \$13.24 per square foot of living area. The subject's improvement assessment of \$16.74 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
