

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harry Kougias
DOCKET NO.: 18-50030.001-R-1
PARCEL NO.: 04-05-305-018-0000

The parties of record before the Property Tax Appeal Board are Harry Kougias, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,740
IMPR.: \$77,778
TOTAL: \$89,518

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

he appellant timely filed the appeal from a favorable administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 5,272 square feet of living area. The dwelling is approximately 55 years old. Features of the home include an unfinished partial basement, central air conditioning, two fireplaces and a three-car garage. The property has a 13,418 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.¹

The appellant, through counsel, marked contention of law and assessment inequity as the bases of the appeal. With respect to the contention of law, the appellant requested the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2017 tax year be carried forward to the 2018 tax year pursuant to section 16-185 of the Property

¹ The subject's property characteristics were gleaned from evidence provided by the board of review.

Tax Code. (35 ILCS 200/16-185). The appellant disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-42576.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$89,518 based on the 2016 tax year appeal under Docket Number 16-40161.001-R-1. The appellant's attorney asserted that tax years 2017 and 2018 are within the same general assessment period. The appellant reported in the Residential Appeal petition that the property is owner-occupied.

With respect to the assessment equity argument, the appellant did not provide any equity comparables in support of the correct assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject property was \$94,779 with an improvement assessment of \$83,039 or \$15.75 per square foot of living area. The board of review also indicated that 2016 was the beginning of the general assessment cycle and that no township equalization factor was applied by county assessment officials in 2018.

Conclusion of Law

The appellant, in part, raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted on this basis.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds the Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
