

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raooof & Regina Saleem
DOCKET NO.: 18-50421.001-C-1
PARCEL NO.: 20-24-428-007-0000

The parties of record before the Property Tax Appeal Board are Raooof & Regina Saleem, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,625
IMPR.: \$ 7,500
TOTAL: \$13,125

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 89-year-old, commercial building with 2,500 square feet of living area. The property is located in Hyde Park Township, Cook County. The subject is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant filed a direct appeal under the Property Tax Code. The appellant submitted evidence disclosing the prior year Board's decision under docket number 17-38388.001-C-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$26,410 based on the evidence submitted into evidence. The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 11, 2016 for a price of \$52,500. Based on

this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,125. The subject's assessment reflects a market value of \$212,500 when using the 2018 level of assessments for class 5 property of 25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review requested that the Board dismiss the appellant's appeal for failure to timely file the appeal within 30 days of the board of review's final decision.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board give no weight to the board of review's request to dismiss the appellant's complaint for untimely filing under section 35 ILCS 200/16-185, which states in pertinent part:

“If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the board of review or board of appeals or after adjournment of the session of the board of review or board of appeals at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-215 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board.”

The Board finds the appellant filed this direct appeal in a timely fashion.

The Board finds the best evidence of market value to be the purchase of the subject property in May, 2016 for a price of \$52,500. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$52,500 as of January 1, 2018. Since market value has been determined the 2018 level of assessments for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
