

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Voss  
DOCKET NO.: 18-50480.001-R-1  
PARCEL NO.: 04-33-409-002-0000

The parties of record before the Property Tax Appeal Board are Steve Voss, the appellant, by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,825  
**IMPR.:** \$59,432  
**TOTAL:** \$66,257

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,128 square feet of living area. The dwelling is approximately 10 years old. Features of the home include a finished basement, central air conditioning, a fireplace and a two-car garage. The property has a 10,500 square foot site and is located in Glenview, Northfield Township, Cook County. It is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.<sup>1</sup>

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board (PTAB) for the 2017 tax year under Docket No. 17-45999.001-R-1 should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant submitted a copy of the prior

year's 2017 tax year decision by the PTAB that lowered the total assessment of the subject property to \$66,257 based on an agreement by the parties. The appellant's evidence disclosed the subject property is an owner-occupied residence and that 2017 and 2018 tax years are within the same triennial assessment period for Northfield Township. Based on the evidence, the appellant requested the subject's total assessment for prior tax year remain in effect for the rest of the triennial assessment period. 35 ILCS 200/16-185

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,824. The board of review further disclosed that 2016 was the beginning of the general assessment cycle for Northfield Township and that no equalization factor was issued by county officials for the 2018 tax year. The board of review commented that "3<sup>rd</sup> year of the TRI. Subject property is not an LLC, was Homeowner occupied and has not been recently sold within the TRI."

### **Conclusion of Law**

The appellant raised a contention of law argument asserting the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the subject property was the subject matter of an appeal before the Property Tax Appeal Board (PTAB) for the 2017 tax year under Docket Number 17-45999.001-R-1. In that appeal, the Board issued a decision lowering the assessment of the subject property to \$66,257.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The record disclosed the PTAB issued a decision reducing the subject's assessment for the 2017 tax year. The record also indicates that the subject property is an owner-occupied dwelling, 2017 and 2018 are within the same general assessment period, and no township equalization factor was applied in 2018 by county assessment officials. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the PTAB has been reversed or modified upon review. For these reasons, the PTAB finds a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
