

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: MJ Cermak, LLC  
DOCKET NO.: 18-50633.001-R-1  
PARCEL NO.: 24-26-300-071-0000

The parties of record before the Property Tax Appeal Board are MJ Cermak, LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,675  
**IMPR.:** \$19,325  
**TOTAL:** \$24,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 11,000 square foot parcel of land improved with a 46-year-old, two-story, masonry, single-family dwelling containing approximately 3,520 square feet of building area. The property is located in Alsip, Worth Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the closing statement, deed, and multiple listing database (MLS) printout which disclosed a purchase of the subject on August 26, 2015 for \$240,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$29,949 which reflects a market value of \$299,490 using the Cook County

Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. In support of the current assessment, the board of review submitted three comparables with sales information on one. The board of review also lists the sale of the subject in August 2015 for \$240,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2015 for a price of \$240,000. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not challenge the arm's-length nature of the transaction and listed a sale for this value in its evidence. Based on this record the Board finds the subject property had a market value of \$240,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
