

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eyad Al Tamimi  
DOCKET NO.: 18-50782.001-R-1  
PARCEL NO.: 28-19-311-017-0000

The parties of record before the Property Tax Appeal Board are Eyad Al Tamimi, the appellant(s), by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,016  
**IMPR.:** \$12,484  
**TOTAL:** \$14,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1,920 square foot parcel of land improved with a 43-year-old, non-owner-occupied, two-story, frame, attached, single-family dwelling containing approximately 1,454 square feet of building area. The property is located in Tinley Park Bremen Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of: the notice of sale; certification of publication; order confirming the sale; winning bidder confirmation; the settlement statement; and deed which disclosed a purchase of the subject on June 6, 2016 for \$91,700. The appellant also included the 2017 Board decision and requests this assessment for the 2018 lien year.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$16,186 which reflects a market value of \$161,860 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four sales comparables. In addition, the notes assert that the board of review's comparables are similar to the subject and after adjustments support the current assessment. The notes also disclose "inconsistency of ownership evidence attached." The board of review included copies of: the deed history printout showing a sale in 2020; the deed; an aerial photograph; and assessor printouts. The board of review also lists the sale of the subject in June 2016 for \$91,700.

In rebuttal, the appellant submitted a letter asserting that the sale in 2020 is irrelevant to the instant appeal and that the board of review's notes on appeal list and estimated value under the current assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2016 for a price of \$91,700. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not submit sufficient evidence to challenge the arm's-length nature of the transaction and listed a sale for this value. Therefore, the Board finds that this reduction to the assessment requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
