

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sarah Naiman
DOCKET NO.: 18-50788.001-R-1
PARCEL NO.: 29-12-114-038-0000

The parties of record before the Property Tax Appeal Board are Sarah Naiman, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,093
IMPR.: \$2,407
TOTAL: \$4,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,982 square foot parcel of land improved with a 61-year-old, non-owner-occupied, one-story, frame and masonry, single-family dwelling containing approximately 1,064 square feet of building area. The property is located in Calumet City, Thornton Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the settlement statement and deed which disclosed a purchase of the subject on June 3, 2015 for \$33,511. The appellant also included the 2017 Board decision and requests this assessment for the 2018 lien year.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$5,694 which reflects a market value of \$56,940 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. In support of the current assessment, the board of review submitted four comparables with sales information on one. This sale sold in February 2016 for \$16,500. The board of review also lists the sale of the subject in June 2015 for \$1.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2015 for a price of \$33,511. The appellant argued the of the sale of the subject supports a reduction and included evidence of the sale. The board of review did not challenge the arm's-length nature of the transaction and listed a sale at this time. The appellant argues for an assessment value the same as the previous 2017 decision which is the first year of the triennial. Therefore, the Board finds that a reduction to the assessment requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
