

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Baur
DOCKET NO.: 18-50793.001-R-1
PARCEL NO.: 30-20-313-006-0000

The parties of record before the Property Tax Appeal Board are Ron Baur, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,745
IMPR.: \$1,755
TOTAL: \$4,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 7,844 square foot parcel of land improved with a 61-year-old, non-owner-occupied, one-story, frame and masonry, single-family dwelling containing approximately 1,010 square feet of building area. The property is located in Calumet City, Thornton Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the 2017 Board decision and requested this assessment be applied to the 2018 decision.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$5,713 which reflects a market value of \$57,130 using the Cook County Real

Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. In support of the current assessment, the board of review acknowledged this is a direct appeal from a 2017 decision and the request for this assessment to be applied to the 2018 decision. The board of review also lists the sale of the subject in December 2015 for \$34,000. The board of review also include four comparables with sales information on two. These two sales sold from April 2015 to May 2017 for prices of \$33,500 and \$40,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the comparables and subject's sales information submitted by the board of review. These properties sold from \$33,500 to \$40,000. The subject's 2017 Board decision assessed the subject at \$4,500 which is supported by this evidence. Therefore, the Board finds that this reduction to the assessment requested by the appellant is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
