

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krystyna Zalesko Slawomir  
DOCKET NO.: 19-00226.001-R-1  
PARCEL NO.: 16-05-14-153-004-0000

The parties of record before the Property Tax Appeal Board are Krystyna Zalesko Slawomir, the appellant, by Mary Kate Gorman, Attorney at Law in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$20,868  
**IMPR.:** \$75,953  
**TOTAL:** \$96,821

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of frame and masonry exterior construction with 1,557 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 498 square foot garage. The property has a 12,692 square foot site and is located in Homer Glen, Homer Township, Will County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within same neighborhood as the subject. The comparables are described as split-level dwellings of frame and masonry exterior construction with each having 1,557 square feet of living area. The dwellings were constructed in 1994 or 1995. Each comparable has an unfinished basement, central air conditioning and a 498 square foot garage. One comparable has

a fireplace. The comparables have improvement assessments of \$72,944 and \$73,712 or for \$46.85 and \$47.34 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,821. The subject property has an improvement assessment of \$75,953 or \$48.78 per square foot of living area.

The board of review submitted a memorandum from the Homer Township Assessor's Office, along with additional data critiquing the appellant's comparables noting differences in features.

In support of its contention of the correct assessment, the board of review submitted four equity comparables located in the same neighborhood as the subject. The comparables consist of split-level dwellings of frame and masonry exterior construction with each having 1,557 square feet of living area. The dwellings were constructed in 1993 or 1999. Each comparable has an unfinished basement, central air conditioning, a fireplace and a 498 square foot garage. The comparables have improvement assessments ranging from \$75,726 to \$79,234 or from \$48.64 to \$50.89 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration that are similar to the subject in location, design, age, dwelling size and most features. These comparables have improvement assessments ranging from \$72,944 to \$79,234 or from \$46.85 to \$50.89 per square foot of living area. The subject has an improvement assessment of \$75,953 or \$48.78 per square foot of living area, which falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
